Directions Test

The following exercise tests your ability to understand and carry out directions. Read all directions completely before writing anything down. At the end of this exercise you will give yourself a score on how well you did.

1. Write your first name in the upper left corner of this page.

2. Write your last name in the upper right corner of this page.

3. If your last name begins with a letter from A to M, circle your first name.

4. If your last name begins with a letter from N to Z, circle your last name.

5. Write today's date somewhere in the left column of this page.

6. Write your birthdate somewhere in the right column of this page.

7. If your birthdate is in a month from January to June, draw a SINGLE line under your birthdate.

8. If your birthdate is in a month from July to December, draw a DOUBLE line under your birthdate.

9. Add the DAY of your birthday to the DAY of today's date and put the number under the title of this exercise.

10. Write the word "score" in capital letters in the lower right corner of this page.

11. Draw a box around it.

12. If your first name is in the upper left corner of this paper, give yourself 100 points.

13. If your first name is in the upper right corner of this page, give yourself -100 points.

14. Add the number under the title of this exercise to your score.

15. If there is any writing on the page give yourself a ZERO! Then go back and read the directions at the top of the page telling you to read ALL directions completely.
